

BEFORE SCHOOL

Now that we've completed a few weeks of school, we would like to share a few before-school reminders to help keep arrival safe and organized for everyone.

- Playground supervision begins at 8:40 a.m. If students arrive before 8:40 a.m., no staff will be supervising, and they will need to wait outside until supervision begins. Students should not arrive at school before 8:40.
- On rainy mornings or during cold weather, as determined by HSD guidelines, students may be invited into the school beginning at 8:40 a.m. Staff will let students know when they may enter. Students who arrive before 8:40 a.m. will still need to wait outside.
- Families and visitors must use the front entrance to enter the school.
- After 8:50 a.m., all students should enter through the front entrance and check in at the office.
- If you would like to wait with your child before the doors open, please wait on the grass near the front sidewalk, close to the tarmac, rather than in other areas of the playground. This helps our staff clearly identify who is on the playground during supervision times

Thank you for helping us keep our morning routines safe, predictable, and organized for all students.

Orange Shirt Day and National Day For Truth and Reconciliation

On Tuesday, September 29th, our school will participate in Orange Shirt Day. We will have a school-wide assembly at 9:10. Families are welcome to attend.

We encourage all students and staff to wear orange on this day to show their support. If your child doesn't have an orange shirt, we'll have orange shirt stickers available at school for everyone.

Thank you for supporting this important day of learning and reflection.

National Truth and Reconciliation Day – Wednesday, September 30 – No Classes on this day as the school is closed.

Friday at Parkhill
